NOTICE TO STATE WATER PROJECT CONTRACTORS

NUMBER: 04-06

DATE: AUG 2 0 2004

SUBJECT: 2004 Turn-back Water Pool Program Results

FROM: Tom Maloney
DEPUTY DIRECTOR, DEPARTMENT OF WATER RESOURCES

The entire 17,240 acre-feet of water, offered through Pools A and B of the 2004 Turn-back Water Pool Program, has been sold to State Water Project contractors. Nine contractors purchased all of the 8,000 acre-feet of water offered through Pool A, and 11 contractors purchased all of the 9,240 acre-feet of water offered through Pool B. The attached table shows the offers and allocations of pool water.

Sellers and buyers are now required to enter into written agreements with the Department of Water Resources (DWR). These agreements have already been prepared and are currently in the process of being returned to DWR. Contractors selling or purchasing turn-back water should, if they have not already done so, submit their revised delivery requests to DWR immediately.

If you have any questions, please contact Dan Flory, Chief of DWR's State Water Project Analysis Office, at (916) 653-4313, or you may call Craig Trombly, of his staff, at (916) 653-6250.
